## AN EVENING OF EXTRAORDINARY OUTCOMES

Dear Friends,

The Allegan County Community Foundation, in partnership with Allegan Area Education Service Agency and the Anne Frank Center, invites you to join us for a powerful community experience on March 5, 2026 - AN EVENING OF EXTRAORDINARY OUTCOMES.

This special evening will feature the traveling exhibit and a film screening designed to inspire reflection, conversation, and a deeper understanding of resilience, courage, and the responsibility we share in shaping inclusive communities.

Anne Frank's story continues to remind us that even in the darkest moments, young voices matter. Her legacy challenges each of us to consider how we respond to injustice, how we care for our neighbors, and how we strengthen the communities we call home.

We hope you will:

- Purchase your tickets today
- Invite a friend, colleague, or family member to attend with you
- Share this event with your networks, faith communities, schools, and organizations

This is more than an event, it is an opportunity for Allegan County to come together in learning and reflection.

Thank you for being part of a community that values education, dialogue, and hope.

We look forward to seeing you on March 5.

With appreciation,

Stephanie Calhoun
